PROFILE

Ohio State history graduate (B.A., December 2026) who pairs research and writing with hands-on AI skills. Looking for a full-time, entry-level role in business.

EMPLOYMENT HISTORY

- ❖ **Delivery Driver, Domino's Pizza**, Van Wert, OH Sep 2026 — Present; May 2023 — Aug 2024
 - Deliver orders quickly and accurately during high-volume peak hours
- ❖ **Delivery Driver, Leopold Deliveries (FedEx Ground Contractor)**, New Haven, IN May 2026 — Sep 2026
 - Delivered about 130 stops a day on a FedEx route, working independently to strict delivery windows
- ❖ **Delivery Driver, LMH Plus Logistics**, Columbus, OH Jul 2025 — Aug 2025
 - Managed time-sensitive routes independently and consistently met strict delivery deadlines
- ❖ **Grounds Maintenance, Van Wert City Schools**, Van Wert, OH May 2022 — Aug 2022
 - Maintained school grounds through landscaping and upkeep, operating equipment safely and efficiently

PROJECTS AND INDEPENDENT WORK

- ❖ **Founder, Spath Web (spathweb.com)** Sep 2026 — Present
 - Launched a website service for small businesses in Northwest Ohio, sold with a free pre-built preview.
- ❖ **Founder, SunriseHours** Sep 2026 — Present
 - Built a web app where students log internship hours by phone and employers verify them, now piloted by the CEO program at Van Wert High School
 - Directed the build with AI coding agents (Next.js, TypeScript, PostgreSQL), including Ohio graduation-hour tracking and student-privacy safeguards
 - Considering launching SunriseHours as a business for schools across Ohio

EDUCATION

- ❖ **The Ohio State University** Expected Graduation: December 2026
B.A. in History, Minor in English Columbus, OH
 - Land Grant Opportunity Scholarship Recipient (full academic scholarship)
 - Dean's List (multiple semesters)

SKILLS

AI tools: Claude Code; briefs and specs for AI agents
